

ATTENTION PLEASE!!!

Math/Physics Department Course Changes Effective Fall 2008

- 1) MTH121 (College Algebra and Trigonometry I) will be replaced by MTH125 (College Algebra). This is a 4 credit hour course.

- 2) **Students from some ET/IT and Business Transfer programs will need to take MTH128 (Trigonometry) concurrently with MTH125 (College Algebra). Students in these programs require knowledge of basic trigonometry. Others will only need to take MTH125.**
MTH128 is a 1 credit hour, 8 week course and will be offered in the first 8 weeks of the semester concurrently with the MTH125 course which will run for 16 weeks.

- 3) MTH122 (College Algebra and Trigonometry II) will be replaced by MTH126 (Pre-calculus). This is a 4 credit hour course.
