1. The Halloween Party went well. There were about 40 staff and students who dressed in costume. Three hours may be too long for the party to last. Next year, it is recommended to hold the party from 1-3p with the judging at 1:30p. There was not enough food.
 2. The winners of the pizza party for the blood drive goes to the MLT program based on percentage. Seven student organizations took part. There were 84 people signed up to donate and 69 were acceptable donations.
 3. Cherie spoke to the junior class of the early college. She informed them that they can participate in student organizations.
 4. We will soon start planning the spring festival. Scott Paris would love to perform at this event as well. (He supplied the Halloween entertainment). He offers a variety of music. At the December meeting we will begin planning and getting door prizes. We discussed changing the name from Phat Thursday to Spring Festival or some other title with a different theme. The party should not be held the last week of the semester, because it is too close to finals. Possibly move it ahead one week- like the last Thursday in April.
 5. Results of the Halloween Costume Contest and the Blood Drive contest will be announced in the *Student Informer*.
 6. It was suggested that we use a 60's or 70's theme for the spring community project.
 7. The staff of Stark State currently participate in a spirit day. We could possibly encourage students to participate as well.
 8. It was suggested that the school participate in the AIDS Awareness Week.
 9. The Leadership retreat was successful. 17 students participated and represented many of the student organizations. The feedback on this program was excellent.

With no further items to be discussed, the meeting was adjourned. The next meeting will be on *Friday, December 7th at 3p in conference room s305a.*
