

# How to Submit an Assignment

1. Go into your course.
2. Locate the assignment you need to complete and click on the title.

3. Review any instructions listed under Assignment Information.

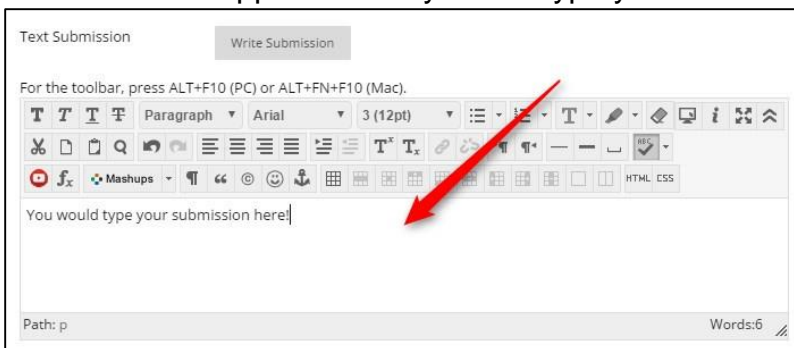

4. Scroll down to Assignment Submission.

If you need to submit text in the assignment box you click on the Write Submission.

A text area will appear where you can type your submission.

If you need to submit a file you will go to **Attach Files** and click on **Browse My Computer**.

5. Click on the **Submit**.

6. You will see a notification at the top of the page alerting you that the file has been submitted and any files or text you have submitted will be listed on the right side of the screen under the Attempt timestamp.
