Whether you have no idea where to begin, need help fixing grammatical errors, or just want another set of eyes looking over your paper during the revision process, we are here to help.

## Online Writing Center

An online session allows you to get writing help without leaving your home. As long as you have access to a computer and the internet, you can participate. (However, we recommend that you are comfortable and familiar with the computer.)

We also offer weekend options and later hours online than our face to face center. Get help with a professional tutor, at your own convenience!

## Chat Space Overview

**WHITEBOARD:** Here, you can import or paste a document, or type text. Changes made to text in this window are highlighted.

**TEXT CHAT:** You can use the area to the right of the screen to have a text conversation in real time. This means the other person in the module can see what you are writing as you type. Unchecking the 'send real time chat updates' box at the top will prevent your typing from being seen by the recipient until you hit 'enter.'

**TOOLBAR:** The icons on the left side of the toolbar allow you to work with a document's formatting. The icons on the right side include options for your online session. Hover over any icon for a text label showing the icon's function.

**DRAWING TOOLS:** Clicking the pencil icon allows you to draw on top of the whiteboard.

**AFTER YOUR SESSION:** Your chat transcript and document will be saved in this online meeting. You can always come back by viewing your appointment and clicking the 'start or join online consultation' link.

## Reminders

To have an online session, you must have an appointment. Please schedule at least one hour before the session time.

Submit the paper you wish to discuss before the session starts.

All online sessions are one hour long.

If you need to cancel an appointment, please do so at least an hour before your scheduled time.
