PARK in a SMART SPACE

Parking can be challenging at Stark State College during peak times! Although we can't reserve your space, we certainly can help make your search easier. Be aware that peak parking times on campus are Mon. – Thurs. between 9 a.m. and 2 p.m. If, for example, your class is at 10 a.m., arriving on campus just a half hour earlier will be an advantage in finding a parking space and making it to class on time.

A few tips on finding a SMART SPACE:

J, C, & F classrooms: Park in **Student Parking Lot #211** on the corner of Frank Road/Mega Street or in **Student Lot #207** by the Fire Science Building.

B & G classrooms: Park in Main **Student Parking Lot # 200**.

H classrooms: Park in **Student Parking Lot #107** (shared lot with KSU-Stark).

Additional Parking:

Student Parking Lot #211 on the corner of Frank/Mega Road – **50 spaces added!**

Student Parking Lot# 204 by the Advanced Technology Center

Additional striped areas will be set up temporarily for overflow, and opened as needed.

DO NOT park in the Visitor Parking Lot #202. As a registered student, you are not a visitor to the campus; *your car will be ticketed!*

ASK US!

Numerous security officers and parking attendants will help direct you to an available space for the first two weeks of the semester.
