How to Access the OhioLINK Library Database

To access the OhioLINK Library Database you need to log into mystarkstate portal.

Once you are logged in click on the Library tab (refer to figure 1).

Figure 1.

Under the Research Tools and Resources channel click on OhioLINK (refer to figure 2).

Figure 2.

The Institution Selection Form is displayed. You need to select Stark State College of Technology from the Select your Institution pull down menu (refer to figure 3). Then click the Submit button at the bottom.

Figure 3.
The Stark State College verification page should now be displayed (refer to figure 4).

**Students:**
A student should use their **Academic Account** (which is the same as their computer lab and email username and password) to verify themselves:

**Faculty/Staff:**
A faculty or staff member should use their **Administrative Account** (same as their email account and office login) for their verification.

After entering your username and password press the **Login** button to continue.
