Parking Permits

While parking on main campus and at all satellite center locations, all vehicles must display a current parking permit hanging from the rearview mirror. Students must first register for a parking permit online through mystarkstate.edu. Then, students can pick up their permit by bringing their student ID to the Campus Security Office. Permits are good summer/fall/spring semesters and expire June 1. If lost, stolen or misplaced, contact Campus Security for a replacement permit. A vehicle without a permit displayed is in violation, and a ticket will be issued to that vehicle. All license plate numbers must be registered with the Campus Security Office. Failure to do so could result in the loss of parking privileges.
