**Salary Notes:**

Salaries included are only "entry-level" and are reported by graduates or employers willing to share that information.

If a salary reported is part-time, the hourly rate is projected to a full-time (40 hour) salary.

Salaries used for this report could cover an approximate 18 month time period.

Salaries of graduates remaining with their current employer but moving to another position due to their degree are included.

Salaries reported are gross pay and do not take into account any fringe benefits or other considerations such as working conditions, expense accounts, bonuses, etc.
