

CCP Textbook Guide for Classes Taught on Campus and/or Online

- Contact Kathy Feichter at kfeichter@starkstate.edu
- CCP student must have Student Permission Form for if they are going to take on campus and/or online courses outside of the high school courses offered
- After the permission form is signed, the student will need to make an appointment with the CCP department to register for courses
- Once their courses are scheduled, they will bring their schedule to the bookstore at Main Campus in North Canton – Check website for days and hours the bookstore is open at <https://shop.starkstate.edu/>
- As stated in the MOU, high schools will purchase all access codes required for the course. If a student drops a course, only unopened access codes can be returned for a full refund
- School districts will be invoiced at the end of each semester

Again, our goal is to make the CCP experience as positive and seamless as possible for you and your students. If you have any questions or concerns, please feel free to email Kathy Feichter directly at any time at kfeichter@starkstate.edu. We look forward to working with you on managing the textbooks for your CCP course offerings.
