Stark State will attempt to maintain a textbook edition for at least three (3) years or four (4) years, depending on the course. For current textbook editions and renewal cycles, the district should contact Stark State College's bookstore to see when the textbook will change.

The four-year cycle option is only for the selected courses on the attached spreadsheet. This paragraph is stated in the College Credit Plus Memorandum of Understanding.

The only online courses that can be on the 4-year cycle are those that are exclusive to CC+. If the CC+ students are enrolled in one of our sections, then the 4-year cycle doesn't apply.
