The Ivan and Judith Flohr Scholarship

Flohr Machine Company, is a family owned and operated full-service precision contract machining company in Barberton Ohio. This state of the art, quality-focused operation has humble beginnings that can be traced back to over 50 years ago. Like many other machine shops, Flohr Machine Co. was founded by a patriarch, Ivan Flohr, in 1966. Jerry Flohr, president and sole owner, is the second generation to carry on the family's legacy of manufacturing. Flohr Machine will be offering up to four scholarships per year.
