# **Law Enforcement Academy**

# **Information Packet**

***Division of Health and Public Services***

**TO:** Prospective Law Enforcement Academy students

**FROM:** Jerry Snay, Law Enforcement Coordinator

Thank you for your interest in the Stark State College Law Enforcement Academy (LEA). Below are answers to some frequently asked questions about the LEA:

**What are the requirements for admission?** You must (1) be in good physical condition, as certified by a doctor, because physical training is a mandatory component of the Academy; (2) have no documented mental health issues; (3) pass a background check<sup>1</sup>, and (4) complete the admissions process for the academy. If you are under 21, you can work towards your Associate of Arts degree in Criminal Justice while waiting to be eligible to enter the LEA.

**When does the LEA start and how long does it run?** Stark State College conducts three Law Enforcement Academies each academic year. The Academy starting times are Fall Semester (August), Spring Semester (January), and Summer Semester (June). A complete academy consists of two courses, Law Enforcement Academy I and II. Both must be completed. Please send an email to [LEAinfo@starkstate.edu](mailto:LEAinfo@starkstate.edu) for a complete schedule including application deadlines.

**When and where do the classes meet?** The LEA classes are held Monday through Thursday evenings (Fall) from 5:00-10:00 p.m., (Spring), 9:00 a.m.-1 p.m. (Summer) every Saturday and some Sundays from 8:00 a.m. – 5:00 p.m. (All). Classes are located at the Law Enforcement Training Academy, 8252 Frank Ave NW.

**What does the LEA cost?** The current total cost (for 24 credit hours) is approximately \$3686.40, plus fees, books, and equipment. Each course has an \$800.00 lab fee to cover costs such as ammunition, targets, and cruisers. Because you earn college credit, many students will be eligible for financial aid that can be applied toward tuition. There are also costs for equipment (for example, a firearm, handcuffs, uniform shirts) that total approximately \$450.00. Uniforms and most equipment are purchased at the book store where financial aid may be used. The only items that cannot be purchased at the bookstore are boots and your duty handgun.

**How do I apply for the Law Enforcement Academy?** To obtain additional details on the application process, you must send an email to [LEAinfo@starkstate.edu](mailto:LEAinfo@starkstate.edu). Please plan to complete your packet two months before you intend to attend.

**I want to prepare for the academy, what should I do?** The best thing anyone can do is begin a physical fitness workout. Please use the following link to view a physical fitness test.

Students must pass the pre-test to be accepted to the academy. The pre-test consists of a timed 1.5 mile run, one minute sit-ups, and one minute push-ups. The student must pass at the level stated by the Academy Commander. The current standard is set by the Cooper Institute. Students are required to be at 50% to be eligible to sit for the state test. To assure students are prepared for the academy and the state standards, OPOTA currently requires a score of 15% to enter the academy.

<http://www.ohioattorneygeneral.gov/Media/Videos/Physical-Fitness-and-Conditioning>

Attend as many pre-test sessions as you like to monitor your progress toward the required standard. Our Physical Fitness Instructors will be able to assist you in healthy eating and a workout regimen to meet your needs.

**The pre-test must be passed prior to the application deadline so plan accordingly!**

The academy can only accommodate 30 students per class. In the event that more than 30 students apply, cuts will be made using physical fitness scores as well as packet submission dates.

Physical Fitness Pre-testing will be conducted the first Tuesday of each month. Two sessions will be offered, 8:00am and 4:30pm. Students will meet at the training academy for sit-ups and push-up and the run will be conducted at the Kent/Stark track. Please dress for the weather and bring plenty of water to drink. Students can take the test as many times as they would like. A passing score must be recorded within 150 days of the first day of the academy the student wishes to attend. Students must be in good physical condition to take the test. Students must show a photo identification to take the test.

## **PART IV: Submit Paperwork**

Submit the completed application to the Gateway Center(Admissions). Gateway Center personnel will assure the packet is completed. Once it is marked as completed, the student will submit the packet to the Student Services drop box located at the end of the counter in the "M" building.

## **PART V: Interview**

Applicants will be required to attend a short interview with the Academy Commander. It is the responsibility of the student to attend an open interview session with the Academy Commander. The purpose of the interview is to assure the student is prepared for the challenges of the Peace Officer Basic Academy. Should the student or Academy Commander see any reason the student may not be fit for the academy, that student can be denied admission to the academy. A physical must be completed prior to the assessment. Open interview dates and times are listed in the [LEAinfo@starkstate.edu](mailto:LEAinfo@starkstate.edu) email autoreply.

## **PART VI: Orientation**

Applicants are required to attend orientation. The orientation date and time is listed in the [LEAinfo@starkstate.edu](mailto:LEAinfo@starkstate.edu) email autoreply. Students will be registered for class during orientation. Equipment will and academy rules will also be discussed.
