

Guest Wireless Access

Stark State College offers wireless Internet access for guests, visitors, and potential students. To access the Internet from the wireless network, users must accept the terms of use. This help aid walks through the necessary steps to logon to the wireless network using a Campus Network Account.

Quick Steps

1. Connect to Wi-Fi network *SSC-Guest*.
2. Open a web browser.
3. Click the checkbox to accept the terms.
4. Click *Log in* to connect.

Detailed Instructions

1. Click the *wireless network connection icon* in the bottom right corner of the system tray. A list of all available networks appears (reference *Figure 1* for steps 1-4).

Note: If the *wireless icon* does not appear, click the *up-arrow icon* to show more icons.

2. Select *SSC-Wireless*.
3. Check the checkbox to *Connect automatically*.
4. Click the checkbox to *Connect*.
5. Open your web browser and it redirects to the guest.starkstate.edu page (reference *Figure 2* for steps 6-7).

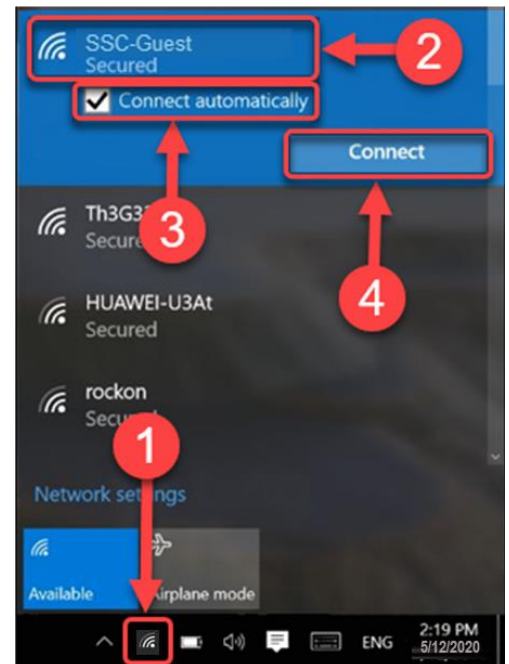

Figure 1

6. Click the checkbox to *accept the terms of use*.
7. Click the *Log in* button.
8. If successful, the *wireless network connection icon* changes to an active connection.

Figure 2

This concludes the help aid.
