| Electrical ET, Electrical ET – Electro Mechanical Major, Electronic ET, Mechanical ET, |                           |
| Mechanical ET – Fuel Cell Major, Design ET, Fuel Cell One Year Certificate, Pre-       |                           |
| Engineering Mechanical Engineering, Pre-Engineering Electrical Engineering, Pre-       |                           |
| Engineering Civil Engineering, Electric Power Utility                                  |                           |
|  |                           |
| Industrial Technology Department:  |                           |
|  |                           |
| Applied Industrial, Environmental Health & Safety, HVAC, Industrial Process            |                           |
| Operation, Automation and Robotics, <u>Petroleum Technology</u> – Pipeline Technician, |                           |
| Instrumentation and Electronics Technician, Industrial Mechanics Technology, and       |                           |
| Production Technician. One Yr. Cert: Oil & Gas Heavy Ind. Mechanic, Industrial         |                           |
| Process Operation, Elect. Maintenance, Automation & Robotics,                          |                           |
| Predictive/Preventative Maintenance, CNC, Sustainable/Alternative Energy,              |                           |
| Welding, Wind Turbine, HVAC, Environmental Health & Safety                             |                           |
|  |                           |
| Automotive and Transportation Department:  |                           |
|  |                           |
| Automotive Technology AAS, GM ASEP AAS, One Year Certificate Automotive,               |                           |
| Comprehensive Automotive Cert, ASE Test Prep Cert, Automotive Aftermarket              |                           |
| Vehicle Modification, Automotive Detailing, Automotive Maintenance and Light           |                           |
| Repair, Automotive Transmission & Driveline, CAT Lift Truck, Honda PACT, Toyota T-     |                           |
| TEN, Toyota T-TEN Electrical, Manual Transmission, HVAC, Toyota T-TEN Engine           |                           |
| Repair, Engine Control, Automatic Transmission, Toyota T-TEN Electrical, Brakes,       |                           |
| Steering & Suspension  |                           |
|  |                           |

The annual assessment summary report assists the College in documenting assessment progress and provides department chairs with assessment data needed to complete their academic program review. Department chairs will summarize information for the courses assessed in their department during the academic year. Chairs will forward their department summary report to their dean by June 5. Deans will summarize information for the courses assessed in their division and forward their division report to the Provost by June 26. The Provost will prepare an Academic Affairs' assessment report by July 24.

1. Briefly summarize the data that was collected related to each of the General Learning Outcomes and the plans for improvement if below 70%.

During the 2019-2020 AY the ET Division continued to review course content and assessments for the fall 2017 – spring 2020 assessment cycle. Any achievement level for any evaluation method that fell below the 70% minimum college standard was reassessed during the fall 2019/spring 2020 AY. All of the courses that were assessed this academic year met the 70% or above GLO outcomes.

1a. Courses assessed/total number of eligible courses in your department or division during this past academic year = 137/188 = 73% (ex. 8/45=18%)
Eligible courses reflect all approved courses in your department/division, including courses with an effective date, during this academic year. Re-assessed courses should not be included in this section. Report re-assessed courses in 1b below. (Please provide numbers, including zero (0), in the blanks below. If not applicable, indicate with an NA.)

| Faculty:  | 24 FT   | 36 Adjunct   |                        |                 |  |
|-----------|---------|--------------|------------------------|-----------------|--|
| Modality: | 81 F2F  | 3 W2         | 0 W3                   | 0 W4            |  |
| Campus:   | 40 Main | 28 Satellite | 26 College Credit Plus | 0 Early College |  |
| Time:     | 63 Day  | 28 Evening   | 3 Weekend              |                 |  |

1b. Courses re-assessed/total number of eligible courses in your department or division = 0/0 = 100% (ex. 8/45=18%) (Please provide numbers, including zero (0), in the blanks below. If not applicable, indicate with an NA.)

|     | Faculty:  | 0 FT                | 0 Adjunct              |                                 |   |

| Department specific:  |   |  |  |  |  |   |  |

- Full-time faculty have continued to mentor adjunct faculty in the assessment process and implementation.
- Course assessment instructions and reminders are given to both full-time and adjunct-faculty each semester.
- All Master and Class syllabi are housed on the "G" drive for easy access to full and part time faculty.
- One-on-one sit down mentoring is available for fulltime and adjunct faculty to assure full understanding and compliance with the required assessment form completion. This aids in accurate reporting.
- Documented student attendance to help ensure student success through mentor/faculty interaction with students.
- The faculty that completed these evaluations coordinate these courses. They were instructed to include additional feedback if an adjunct or full-time faculty taught the same course considering different modalities, different campuses, and different times the course was being offered. Throughout this process, I met with faculty to ensure accuracy and validity of the data being reported. Any identified planned improvements will be discussed during advisory committee meetings and program meetings.

| 6. Identify the steps you plan to take to improve the effectiveness  | of the efforts to assess and improve student learning for next year.   |
|--|--|
| Steps for Improvement  | Resource(s) Needed   |
| Review the outcomes of faculty's student success goals (addressed on Performance Evaluations).                             | Meet with faculty throughout the year to review the progress they<br>are making on their goals and assess if additional resources are<br>needed. |
| Encourage faculty attendance at Best Practices workshops and professional development opportunities.                       | Funding for off-campus professional development opportunities.   |
| Track enrollment and retention data to measure the effectiveness of action plans from current and past assessment periods. | Access to reports in ARGOS.  |
| Make tutoring available for students taking ET courses   | Qualified Tutors   |
| New electronic lab implementation  | Focus Groups/Curriculum Meetings   |
| PowerPoint review and update   | Focus Groups/Curriculum Meetings   |
| Update the LMS   | Focus Groups/Curriculum Meetings   |
| Tool and equipment assessment  | Focus Groups/Curriculum Meetings   |
| New book implementation  | Focus Groups/Curriculum Meetings   |
| Altering tests to match new book   | Focus Groups/Curriculum Meetings   |
| Course accessibility. Review all course modality options   | Focus Groups/Curriculum Meetings   |
| Review of course content on a yearly basis   | Focus Groups/Curriculum Meetings   |

Template revision date: 5-10-2011, 9-26-2011, 3-17-2016, 4-6-2016
