One-Year Certificates and
Career Enhancement Certificates

Wednesday, May 19, 2021

STARK STATE COLLEGE

A HISTORY OF EDUCATIONAL EXCELLENCE

Stark State College was founded in 1960 to meet the community's need for high-tech education. With computerization and the development of new technologies and companies, there was a need for well-educated, highly-trained technicians with two-year college degrees. Stark State College was born out of that need.

Today, Stark State College is a student-centered comprehensive community college with transferable higher education and career development programs. The College offers more than 280 associate degrees, majors, one-year and career enhancement certificates in business and entrepreneurial studies, education, engineering technologies, health sciences, human services, information technologies, liberal arts, mathematics and sciences.

Stark State is the largest among the five colleges and universities located in Stark County. Stark State is a fully-accredited state college that provides affordable, quality education. The College enrolls more than 12,000 students. Stark State College is the fourth largest two-year college in Ohio.

Stark State College awards the following degrees: Associate of Arts (A.A.), Associate of Science (A.S.), Associate of Applied Science (A.A.S.), Associate of Applied Business (A.A.B.), Associate of Technical Studies (A.T.S.), one-year certificates and career enhancement certificates.

Stark State alumni have actively served the College at College events, on the Alumni Council and as mentors for Stark State students.

The Stark State College Foundation is a non-profit, tax-exempt organization whose goals are to seek, receive and distribute funds, equipment, property and other contributions for the benefit of the students and programs of the College. The Foundation provides financial support beyond that which can be obtained through student fees and state allocations. The Foundation helps Stark State College achieve a higher level of excellence in serving the educational needs of Greater Stark County.

Throughout its history, Stark State College has played a vital role in educating people in our community. A well-educated, well-trained workforce is the best resource any community can have.

Congratulations
to our one-year certificate and
career enhancement certificate completers

PROGRAM

Provost's message Lada Gibson-Shreve, PhD
Provost and Chief Academic Officer

Congratulations Stark State College faculty and staff

President's message Para Jones, PhD
President

THIS PROGRAM IS NOT AN OFFICIAL LIST OF ONE-YEAR CERTIFICATE AND CAREER ENHANCEMENT COMPLETERS

While every effort is made to ensure accuracy in this program, printing deadlines sometimes prevent inclusion of names or may result in listing of persons who may not have completed official requirements.

This printed program, therefore, should not be used to determine a student's official academic record kept by the Office of Academic Records/Registrar's Office.

CAREER ENHANCEMENT CERTIFICATE IN AMERICAN SIGN LANGUAGE

Brooke Marie Anderson
Taylor Boschini
Natalie Elizabeth Clemens
Trevor Ryan Collage
Jackson R. Cottrill
