Stark State College is proud to provide a supportive academic environment and college experience for military services members, veterans and their spouses.

STARK STATE COLLEGE

A HISTORY OF EDUCATIONAL EXCELLENCE

Stark State College was founded in 1960 when computerization and the development of new technologies and companies created a need for well-educated, highly trained employees with two-year college degrees. Stark State College was born out of that need. Well-respected in the community, Stark State College plays a vital role in the economic growth and development of the region through its strong tradition of providing educational and training services to employers and residents.

Today, Stark State College offers over 200 associate degrees, one-year certificates and career enhancement certificates in business and entrepreneurial studies, education, liberal arts, mathematics, engineering technologies, information technology, health and public services, and sciences.

Degrees awarded are the associate of arts, associate of science, associate of applied science, associate of applied business and associate of technical studies. These degrees prepare our graduates for career success as they move directly into the workforce or choose to continue their education in pursuit of a baccalaureate degree. A wide range of short-term career enhancement certificates help employees improve skills and gain a competitive edge in a society with rapidly changing technology. Career enhancement certificates lead to associate degrees and one-year certificates in various fields of study.

Community and business partnerships are vital to Stark State's success. The College has developed an outstanding reputation among business and industry for its willingness to aggressively enhance workforce development activities in support of emerging business needs. A few of Stark State's public/private partnerships include The Timken Co., Diebold Nixdorf, Contained Energy, Lockheed Martin, Kohler Container Co. and Ariel Corporation.

The Stark State College Foundation is a non-profit, tax-exempt organization that provides financial support beyond that obtained through student fees and state allocations. The Foundation exists solely to benefit the students and programs of Stark State College and assists the College in reaching a higher level of excellence in serving the educational needs of our community.

More than 17,000 Stark State grads live and work in our community, contributing to the vitality of our region and serving as a true testament to Stark State's commitment to excellence in education.

Congratulations to the Class of 2021

THE ACADEMIC PROCESSIONAL

The academic processional precedes the graduation ceremonies and reflects the early origins of education. To recognize the achievements of their students, higher education institutions in America hold an official commencement, during which time students are awarded appropriate degrees at the completion of their studies.

Academic costume has a history of nearly eight centuries. As students in medieval Europe organized into guilds, they developed distinctive costumes for various degrees. Differences among this garb appeared mainly in the hood, which is derived from the cloak. Hoods are now ornamental and are draped over the shoulders and down the back. The hood is faced with colors, which denote the field of study represented by the wearer's degree. The colors of the lining are those of the college or university by which the degree was granted.

In Europe, a professor generally wears the type of garment customary in the university where he or she is lecturing. In the U.S., professors continue to wear the gown and hood of the university where they received the highest degree.

The cap or "mortarboard" originated at Oxford. In Europe, one sees caps of other sorts, but in the U.S., caps are generally flat and square-shaped. Attached to a button on top of the "mortarboard" is a tassel. Tassels for associate and bachelor's degrees are black. Tassels for master's degrees are black or a color appropriate to the major field of study. For doctoral degrees, tassels are black or golden. The tassel is moved from the right side of the cap to the left side after receiving a degree and worn on the left side by those who have received a degree.

The various colors of the hoods signify the field of study in which the degree is earned. For example: white – arts, letters and humanities; olive – business and commerce; light blue – education; orange – engineering; purple – law; golden yellow – science; apricot – nursing; lemon – library science; pink – music; and green – medicine.

DISTINCTION AND HIGH DISTINCTION

Graduates who have demonstrated outstanding accomplishment in their technologies will be announced as graduating either with "Distinction" or "High Distinction."

Graduates who have a grade point average of 3.4 or above as of the end of fall semester 2020 will graduate with Distinction.

Graduates who have a grade point average of 3.8 or above as of the end of fall semester 2020 will graduate with High Distinction.

The level of distinction is based on the grade point average at the end of the semester preceding graduation. If the level of distinction changes after final grades are posted for the graduating semester, the student's academic record will be updated.

HISTORY AND TRADITION OF THE MACE

The ceremonial mace that is used in college and university commencement exercises was originally a weapon designed to protect kings that dates back to 12,000 B.C. Throughout history, the mace also has been a symbol of royalty and justice. Though maces traditionally were used as weapons, Scottish maces are musical instruments and have been and continue to be used as instruments of wartime music and military bands. The mace also is a symbol of academic authority. In commencement ceremonies, the mace is carried before the president and dignitaries who are seated at the platform where the graduates receive their diplomas.

THE CONSTRUCTION AND SYMBOLISM OF THE STARK STATE MACE

Stark State College's commencement mace is handcrafted from cherry wood, salvaged from a fallen tree on Stark State's campus. The mace is 50 inches long and weighs 16 pounds. It was turned in March of 2006 by local craftsman Merle Weber. The Massillon Plaque Company fabricated the metal castings on the mace to the College's specifications.

The foundation for the head of the mace is constructed of "Ohio flint," a crypto-crystalline quartz and the state's official gemstone. The mace is crowned on both the obverse and reverse sides, with the official logo of the College.

Four brass bands on the staff are engraved with the four names of the College and the dates associated with those names, capturing the College's history and development since its founding in 1960. Three cast-brass plates affixed to the large barrel section near the top of the mace symbolize the College's national and state affiliations. The first cast brass plate depicts the United States flag. Symbolizing our state college status, the next casting displays the state motto, "With God All Things are Possible," and the final casting displays the Great Seal of the State of Ohio.

Dear Stark State Graduate:

The Stark State College Board of Trustees offers you heart-felt congratulations on your graduation. This day marks the culmination of your many hours of hard work and perseverance. We hope you take time to truly savor the moment!

Since such accomplishments rarely happen without the sacrifice and support of loved ones, the Board would also like to extend sincere thanks to the others who sustained you in reaching today's milestone.

Your education is a key to your personal fulfillment and success in any future endeavor, and the investment will serve you well for the rest of your life.

We are certain that you will put your excellent efforts and newly acquired skills to good use as you continue life's adventure.

Sincerely,

A handwritten signature in blue ink that reads "Alice C. Stephens". The signature is written in a cursive style with a clear, legible font.

ALUMNI HALL OF FAME 2021 INDUCTEE
KIMBERLY J. SANTORO
ASSOCIATE DEGREE
IN SMALL BUSINESS COMPUTER SYSTEMS, 1993

Santoro graduated from Stark State in 1993 with an associate degree in small business computer systems and a certificate in bookkeeping. She went on to earn a bachelor's degree in organizational management and marketing from Malone University in 2008.

While at Stark State, she was a student worker in the College bookstore, then went to positions as an administrative assistant with the Canton Invaders and assistant warehouse manager with Peoples Services. She has been with Stark Education Partnership since 1994.

Both creatively and mathematically talented, Santoro designs newsletters, publications, evaluations, white papers, brochures, ads, flyers, infographics and more. She also maintains the organization's website and social media accounts. In addition to providing operational and technical computer assistance to coworkers, she manages the organization's financial accounts, grants reconciliation, budget administration and payroll oversight.

She has volunteered with United Way, Faith Kitchen Food Pantry, Faith Family Church, Friends of the Stark County Dog Pound and Haven of Rest.

Santoro is a leader from behind the scenes, putting people and the work first. A reliable and strong team player and collaborator, she prevents problems from happening with an ability to think long-term and see potential outcomes. She genuinely cares for those she serves – coworkers, community members, and the organization. For the past 25 years, she has elevated the efforts of the Stark Education Partnership to benefit all students and stakeholders in our community.

TO THE GRADUATES OF STARK STATE COLLEGE

BY: DUANE DODSON

ASSISTANT PROFESSOR, ENGLISH

You worked for years to reach your goal;
You struggled hard and long.
You gave your heart and mind and soul
To join the vaunted throng,
But something you could not control
Tried hard to mute your song.

But it did not. This song is yours!
A song of sacrifice.
You may not march through double doors
While dressed in something nice,
Or cross a stage on wooden floors,
But still, you've paid the price!

Though pressured, you have passed the test.
No crisis has restrained you!
You've studied when you wanted rest,
And even when it drained you,
You hung in there and did your best.
Resolve and faith sustained you!

And now you're here! And even though
You can't sit side by side,
You celebrate the same plateau,
And share the self-same pride,
Connected by that inner glow
That cannot be denied.

These final weeks were not the norm...
A challenge unexpected.
But staying strong, you faced the storm,
And kept yourselves protected.
You met your mandate to perform.
You are to be respected.

So, Graduates, as you engage
Your long-pursued vocation,
May thoughts upon this printed page
Express our admiration.
And may this platform be your stage:
Our heartfelt celebration!

THIS PROGRAM IS NOT AN OFFICIAL GRADUATION LIST

While every effort is made to ensure accuracy in this commencement program, printing deadlines sometimes prevent inclusion of graduates' names, or may result in listing of names of persons not completing graduation requirements.

This printed program, therefore, should not be used to determine a student's permanent academic record kept by the Office of Academic Records/Registrar's Office.

PHI THETA KAPPA INTERNATIONAL HONOR SOCIETY

Graduates wearing gold tassels and stoles are members of the Beta Gamma Epsilon Chapter of Phi Theta Kappa, an international honorary society for two-year colleges, based on academic achievement in degree-related courses. Members must have a cumulative 3.75 GPA or higher in at least 16 semester hours of degree-related courses and maintain a cumulative 3.4 GPA.

Phi Theta Kappa has more than 1.2 million alumni worldwide and offers its members opportunities in scholarship, leadership, service and fellowship. Stark State's chapter began in 1996.
