Virtual via Zoom

Dear Students and Benefactors,

Welcome to Stark State College's 46th annual Scholars and Benefactors Event. Today's event may be virtual, but it still provides us with an opportunity to bring together our generous donors and our hardworking and deserving students. While we cannot share a meal in person this year, we hope that you will take the opportunity to virtually meet and get to know each other

Thank you, benefactors, for your generous support of our students. Stark State College is committed to providing affordable, quality higher education that leads to rewarding, in-demand careers. Although our tuition is the lowest in the region, many students still could not afford to attend without your scholarship support. Your support is critical to our students' ability to begin and complete college. And because most of our students live and work in the community, your investment in our students has a lasting, positive impact on our local and regional economy.

Thank you, students, for your hard work and congratulations on your achievements.

Sincerely,
Para M. Jones, Ph.D.
President, Stark State College

Thank you

Stark State College and the Stark State College Foundation warmly thank our benefactors for providing our students scholarships assisting with retention and completion of their educational goals. We also gratefully thank our donors who are in the process of endowing scholarships, the families of our students for their support, and especially the students for achieving educational success.
