SIGMA SIGMA GAMMA OF BETA BETA BETA (TIRBETA) BIOLOGICAL HONOR SOCIETY

TriBeta is an honor society dedicated to improving the understanding and appreciation of biological study and extending boundaries of human knowledge through scientific research. This chapter is not limited to biology, health, or pre-medical professional majors, rather it is open to anyone with an interest in the natural world and our relationship to it. To support the vision of the national organization, our chapter focuses on student-led experiences exploring research and occupations through activities such as; student involvement in undergraduate research, mini-lectures from researchers and medical practitioners, community service collaborations with local organizations and the college, field trips to museums, university campuses, and the National Institutes of Health. Additionally, the chapter's activities provide networking opportunities along with professional interaction and communication development for students. To become a nationally recognized member of TriBeta there are two options, an associate member and a full member. A student seeking associate membership will have completed one biology course with a grade of B or better. A student seeking full membership will complete 2 or more biology courses with a grade of B or better. Overall GPA is not part of the membership requirements as this is a subject-specific honor society. To be eligible for induction as an associate or full member, each student will dedicate time to support the chapter by attending meetings, participating in fundraising, and community service to the college or external organizations. Upon completion of the requirements and induction, the member will receive a membership card, honor cords, and will be recognized during the graduation ceremony as a Beta Beta Beta National Biological Honor Society member in the published program. STUDENT RIGHTS AND RESPONSIBILITIES

REGULATIONS FOR STUDENT

The College attempts to provide for all students an environment that is conducive to scholarship, social growth and individual self-discipline. In pursuit of this goal, we take for granted the fact that the large majority of students will maintain an acceptable standard of common honesty and decent human behavior. You are expected to abide by local, state and federal laws, as well as all rules and regulations printed in this *Student Handbook*. You also are expected to abide by the College's *Policies and Procedures* as adopted by the Stark State College Board of Trustees and posted at www.starkstate.edu/policies.

STUDENT CODE OF CONDUCT POLICY

Stark State College provides an engaging, supportive, and empowering environment that creates the foundation for lifelong learning and individual professional development. The Student Code of Conduct is established to provide students a detailed list of prohibited behaviors for both on-campus and off-campus college-related activities, and disciplinary action(s) that can result in violating the Student Code of Conduct. The conduct code shall also apply to student conduct involving violations of federal, state, or local laws. You also are expected to abide by the College's *Student Code of Conduct Policy and Procedure* as adopted by the Stark State College Board of Trustees and posted at www.starkstate.edu/policies.

OHIO SB40

According to Ohio SB40, students can engage in noncommercial expressive activity on campus as long as the individual's conduct is lawful and does not materially and substantially disrupt the functioning of the College.

MEDICAL PROBLEMS/ EMERGENCIES

Medical emergencies should be reported to the reception desk or the Security Office. Emergency telephones are positioned throughout the College. The Jackson Township fire department provides an emergency ambulance service to transport persons requiring emergency medical treatment to a nearby hospital. Anyone with a medical problem should report this information to the Security Office.

DRUGS AND NARCOTICS

The use of illegal substances is in violation of civil or criminal laws. Stark State College will not and cannot protect a student from prosecution by the civil law. The College will invoke disciplinary penalties on any student who possesses, manufactures, consumes, provides, sells or even shares illegal substances. For any student who is personally experiencing problems of substance abuse, help is available. Call 330-494-6170 ext. 4219 for more information.

DRUG-FREE CAMPUS COMPLIANCE

The College considers the use of drugs as well as their abuse to be a very serious matter and one that cannot be tolerated on the campus. Illegal drug use poses health and safety hazards to employees and students. As a responsible source and participant with the federal government funding in many programs and activities, illegal drug use by anyone in the College jeopardizes federal government funding in light of the federal government's increasing efforts to combat drug abuse. Therefore, it will continue to be the policy of the College to maintain a drug-free campus. The employees and students are notified that the unlawful manufacture, distribution, dispensing, possession or use of any drug or controlled substance is prohibited on all College property and at any other location where the College is conducting business. It is expected that all students and faculty/staff will abide by the terms of this policy.

ALCOHOLIC BEVERAGES

The possession or consumption of alcoholic beverages on campus is prohibited.

SMOKE-FREE FACILITIES

State laws prohibit smoking in state-supported school buildings except in designated areas. Stark State College is a smoke-free/tobacco-free facility. Smoking is permitted outside the buildings in designated areas only.

CONCEALED WEAPONS

The use, possession or carrying of a handgun or other weapon by any person who is not a professional law enforcement officer on College property is prohibited and in violation of state law.

In summary, the Stark State College concealed weapons policy states, (as of March 21, 2017)

- A) Except as provided in paragraph B below, the use, possession or carrying of a firearm or other weapon on property owned or leased by the College, by any person other than a College Security Officer or qualified law enforcement officer as defined in Section 2901.01(A)(11) of the Ohio Revised Code, is prohibited and in violation of State Law.
- B) Pursuant to Ohio Revised Code Section 2923.126 (B)(5), any person licensed to carry a concealed handgun may have a handgun on property owned or leased by the College ONLY if it is in a locked motor vehicle or the licensee is in the immediate process of placing the handgun in a locked motor vehicle.

To view the College's official concealed weapons policy in its entirety, visit www.starkstate.edu/policies and click the *Complete P & P* link.

CHILDREN ON CAMPUS

While the College recognizes that arranging for child care is sometimes difficult, the College and its agents cannot be responsible for the safety of children brought into the classroom or left unattended on campus while parents attend classes or other activities. Both the safety of the children and the need for a proper learning environment indicate the need for the parents to make other arrangements for the care of their children during the time they are attending classes.

While it is up to the individual faculty member's discretion as to whether or not to allow children in their classroom in exceptional situations, children are not permitted in the following areas:

- Automotive labs
- Computer labs
- Office administration labs
- Engineering labs
- Health labs
- Science labs
- Open labs
- Placement/admission assessment lab

RECORDING

The College has long recognized that the recording of instructional activities has the potential to be helpful in the learning process. The instructor must approve the use of recording devices in the classroom.

CELLULAR PHONES/OTHER MOBILE COMMUNICATION DEVICES

In the classroom, the use of personal electronic devices, including but not limited to audio/video recorders, computers, cell phones, and music players, can hinder instruction and learning, not only for the student using the device but also for other students in the classroom. The College maintains the right of each faculty member to determine if and how personal electronic devices are allowed to be used in the classroom.

ATTIRE

In today's society a standard for dress is difficult to interpret and enforce. It is not the intent of the College to take away an individual's uniqueness or creative expression through dress. The College does recognize that a person's appearance reflects something of the individual. It is expected that students develop some degree of maturity that prompts pride in their dress and grooming. When dress goes beyond the boundaries of good taste, the College must accept the responsibility of informing the student.

LABORATORY EQUIPMENT

All laboratory equipment is to remain in the laboratory unless written permission is given by a member of the faculty. All equipment used during the class laboratory period is expected to be returned in good shape. Any breakage, loss or malfunction should be reported to the class instructor.

STUDENT ID and USER NAME

All students have two unique identifiers assigned when accepted into the College; a Student ID and a User Name. The Student ID identifies your official student record. It is used in place of your social security number in the offices of the Gateway Center (Academic Records, Financial Aid, and Registration). Each student is also assigned a unique User Name that is used as part of the student's account credentials.

ACCOUNT CREDENTIALS

All student accounts are created using the same format for the user name and the initial default password. The user name is used as part of your account credentials. Some accounts use the only user name portion and some accounts use the email format of the user name. View the account details for the specific user name format.

Your user name is the first initial of your first name, your last name, your two-digit birth month and two-digit birth day. *Important note:* If your user name duplicates that of a previously enrolled student, the birth day portion of the number will be incremented until a unique user name is assigned to your account.

Your password is your first, middle, last initial, period, and the first six digits of your social security number. *Important Note:* If you did not provide a middle name or initial, use an "x" for your middle initial.

For an overview of your different student accounts, what they are used for, and other IT resources please reference the *Getting Started: Student Network Accounts & IT Information* brochure provided with your acceptance letter or reference *Student Help>Student Accounts* in the Help Desk Services Center at <https://helpdesk.starkstate.edu>

HELP DESK SERVICES

Help Desk Services offers a wide range of computing, technical and informational services to the campus community. They offer level one support and route all level two problems to the correct area. You can get help to access all your SSC student accounts and find out how the account is used.

Help is always available at the Help Desk Services Center website. Look in the *Student Help* section (listed by category) and the FAQ section under *Recent Activity* for answers to most student questions and directions to the correct resource.

COMPUTER LABS AND IT RESOURCES

- Within 24 – 48 hours of enrolling for a credit course, a student’s *Campus Network Account* is created. This account’s password is used for other *Single-Sign-On* accounts such as Blackboard and *mystarkstate*. This means your other accounts authenticate using this account’s password. The Computer Network account is used on campus for access to all academic computer labs, open labs, student lounge areas and other IT resources.
- Campus Network accounts are created when enrolled in any credit course and remain until the end of summer semester. At that time, accounts are deleted and recreated for students enrolled in the subsequent fall semester. The accounts are created using the same default format as listed above. This means current student account passwords are set back to the default format and will remain the default format until changed. Your Campus Network account settings reset when recreated.
- Users must only use the computing resources and user accounts that have been authorized for their use by the College. Each user is responsible for all activities that take place associated with the use of their assigned accounts. Resources may be used only for their authorized purpose and in a manner consistent with the policies of the College.

LAB GUIDELINES

Access to the facilities of the College’s labs is a privilege, and users are subject to certain rules governing the use of the lab. Students also are responsible for any damage to lab equipment.

STUDENT PRINTING IN COLLEGE LABS

Each student is provided a free amount of printing for use in campus computer labs each semester. The account is debited based on the pages printed. If you use all of the initial credit, you may purchase additional printing credits by buying a Top-Up card at the College Store. To apply the purchased Top-Up print credit; visit website printed at the top of the Top-Up card and enter the code on the card.

You can view your printing account balance at any time by clicking a small icon in the taskbar. You are informed of your print account balance each time you print.

At the beginning of each semester, your printer account balance is reset to the initial credit at no charge. There is no balance carryover from one semester to the next, and there are no refunds to students who do not use all of their printing credits. Top-Up cards must be used in the semester in which they are purchased.

EMAIL AND ELECTRONIC COMMUNICATIONS GUIDELINES

Electronic communication resources are an official channel of communication within the College. You are responsible for routinely reading and taking action on official information from the College sent to your SSC email account, the emergency announcements, campus announcements and personal announcements in the *Announcements* section of the *mystarkstate* portal. You also may be required to utilize eStarkState (Blackboard) communication tools. Failure to do so is not an acceptable excuse for non-compliance with official information sent via these communication channels. Refer to the *Policy on Electronic Communications* in the College's *Policies and Procedures* for additional information.

- The College provides each student with an SSC email account hosted by Google (Gmail application).
- The email account along with the Google account is created 24 – 48 hours after acceptance to the College and at this time it is a permanent account. Along with your email account, you have Google's G Suite of secure integrated applications. This includes Gmail, Docs, Drive, Calendar, plus additional Google applications.
- Use your SSC email account to sign in at any Gmail sign in page and access the Google Suite applications.
- All rules and regulations for the SSC email (Gmail) account as well as Stark State College policies and guidelines must be observed.
- You should identify yourself as the originator of email messages, and refrain from using email for any purpose that is not consistent with the policies regarding the conduct of students at the College.

COLLEGE COMMITMENT TO SCHOLASTIC HONESTY, STUDENT INTEGRITY AND HONESTY IN LEARNING

HONESTY IN LEARNING

Stark State College supports honesty in learning as an institutional value; therefore, dishonesty – such as cheating, plagiarism, or furnishing false information to the College or its staff – will subject a student to disciplinary action, which may include dismissal from the College. Faculty, staff and students are responsible for promoting honesty in learning. You are responsible for being familiar with the policy. Any student who violates or assists another to violate the Honesty in Learning Policy will be penalized.

- Plagiarism – According to the Council of Writing Program Administrators: “In an instructional setting, plagiarism occurs when a writer deliberately uses someone else’s language, ideas, or other original (not common-knowledge) material without acknowledging its source.”
- Coursework – Work done for class, which a student submits as the student’s own work, will not contain that which has been obtained from another, other than properly credited references, sources, and citations. The work which a student submits will be prepared in accordance with course guidelines.
- Exams – Work done on a test, exam or quiz will be the student’s own and will not contain that which has been obtained from an inappropriate source. A student will not obtain nor seek to obtain advance access to questions or advance copies of a test, exam or quiz without the instructor’s permission.

Procedures regarding violations of the Honesty in Learning Policy are contained in the *Policies and Procedures Manual*.

STUDENT RECORDS

The College has implemented the statutory requirements pertaining to the access, inspection and review of student records, in accordance with the *Family Education Rights and Privacy Act of 1974*.

RELEASE OF STUDENT RECORDS TO EXTERNAL AGENCIES

Information will not be released from a student record or file to external agencies or persons without the express written consent of the student, except as provided by *Section 438(b) of Public Law 93-380*.

STUDENT RECORDS

Student records include all official records, files and data directly related to a student who has attended classes at Stark State College. This includes all material that is incorporated into the student’s cumulative record folder, which is intended for College use or to be available to parties outside the College. This information is specifically including, but not necessarily limited to, identifying data, academic work completed, level of achievement (i.e., grades, standardized achievement test scores), attendance data, scores on standardized intelligence, aptitude, and psychological tests, interest inventory results, health data, family background information, teacher or counselor ratings, and observations and verified reports of serious or recurrent behavior patterns. These records are kept in Gateway Student Services. Room M102

For the most current policies and procedures, visit www.starkstate.edu/policies

All information entered in a student's file is available for inspection by that student upon presentation of appropriate College identification, except for that information described in *Section 3357:15-19-04* of the *Policies and Procedures* as adopted by the Board of Trustees of Stark State College.

You may request, in writing, the opportunity to inspect and review your records. The request should be made to the Academic Records/Registrar's Office and must specify records to be inspected and reviewed. Requests to inspect and review your records will be granted within a reasonable period of time, but such time is not to exceed 45 days after the request has been made. Records will be inspected and reviewed in the presence of office staff. Records may not be changed or deleted during the process of inspection and review. You will be advised of your right to challenge and the procedure to challenge any portion(s) of your College record. Upon written request, you will be provided with a copy of that portion(s) of the College record subject to challenge.

STUDENT DIRECTORY INFORMATION

In accordance with the provisions of the *Family Education Rights and Privacy Act of 1974 (FERPA)*, a student's directory information, including the following information, may be released without the student's consent: name, home address, college email address, phone number, major, status (including dates of attendance, full-time/part-time, withdrawals, hours enrolled, degrees awarded and honors received, including Phi Theta Kappa, Dean's List, distinction, high distinction, etc.)

Please note that students have the right to withhold the release of directory information. To do so, a student must complete a Request for Non-Disclosure of Directory Information form available on *mystarkstate* under "personal information" or from Gateway Student Services.

Before placing a "no release" designation on records, students should note

- The College receives many inquiries for directory information from a variety of sources outside the institution including prospective employers, news media, honor societies, and insurance companies. Placing a "no release" designation on your record will preclude release of such information.
- A "no release" designation can apply to all elements or individual elements the student chooses to withhold.

Parents do not have an automatic right to information on the student attending Stark State College, even if the student is legally a minor under the age of 18. Parents do have the right to this information if the student is financially dependent on the parent and the parent can show proof of this by his or her most recent federal income tax return.

FINANCIAL AID TIPS

APPLY EARLY! All students requesting financial aid are required to fill out the Free Application for Federal Student Aid (FAFSA) every year. You can start applying as early as October 1 at <https://studentaid.gov>.

Don't miss these important priority deadlines to ensure you are receiving all aid for which you are eligible. Some sources of aid are limited in amounts available.

REQUIRED FORMS	PRIORITY DATE
Free Application for Federal Student Aid (FAFSA)	March 1, if attending summer session May 1, if attending fall semester Oct. 1, if attending spring semester

Once you receive the results of your FAFSA, be sure to check it for accuracy and submit the changes or corrections as soon as possible to ensure speedy processing.

Request FSA ID

The FSA ID is required for all parents and borrowers accessing any system tied to Federal Student Aid. This Students and parents will not be able to correct or sign the FAFSA without the FSA ID. Please visit <https://studentaid.gov> to create your FSA ID and complete your FAFSA. Respond to all requests for additional information promptly. At times, Gateway Student Services will ask for additional information, and it is in your best interest to submit this information as soon as possible.

Review all sources of aid

Not only can you apply for federal and state money, but there are also many outside sources of aid available. You will need to do the research to find this money. Gateway Student Services will assist in this effort by providing you with websites as we receive them. Please visit our scholarship webpage at www.starkstate.edu/finaid as often as possible to obtain the most recent scholarships available.

Plan your schedule carefully

A common myth is that a student must be full-time to receive financial aid. This is *not* true. If you have questions regarding your financial aid eligibility and the number of hours enrolled, please see Gateway Student Services. ***Keep in mind you need to maintain Standards of Academic Progress to maintain eligibility for federal student aid.*** Requirements include completion of credit hours, grade point average and completion of your program within allotted time. For current Standards of Academic Progress, go to www.starkstate.edu/sap.

Borrow conservatively

Most students are eligible for student loans. Do not borrow more than you need; it is a loan that must be repaid.

Ask the experts in Gateway Student Services
