

# English Transfer Pathway

for Ohio Community College students  
transferring to Capital University

November 2022

This document outlines the [Ohio Guaranteed Transfer Pathway \(OGTP\) in English](#) that has been designed to provide clarity and consistency for college courses transferring between Ohio 2-year and 4-year public institutions.

This same transfer pathway in English is now approved for students transferring to Capital University, through a partnership between 11 Ohio community colleges and 14 private colleges called the [Ohio Consortium for Transfer Pathways to the Liberal Arts](#), and whose faculty and administration have collaborated to expand access and credit clarity for students transferring with an associate’s degree from an Ohio community college to an Ohio private college or university.

Pages 1 & 2 of this document outline **community college courses that are approved statewide** for transfer credit toward the bachelor of arts degree in English at an approved 4-year institution. Pages 3-8 show how these courses transfer to Capital University to meet bachelor degree requirements.
