

# English Transfer Pathway

for Ohio Community College students  
transferring to Ohio Wesleyan University

November 2022

This document outlines the [Ohio Guaranteed Transfer Pathway \(OGTP\) in English](#) that has been designed to provide clarity and consistency for college courses transferring between Ohio 2-year and 4-year public institutions.

This same transfer pathway in English is now approved for students transferring to Ohio Wesleyan University, through a partnership between 11 Ohio community colleges and 14 private colleges called the [Ohio Consortium for Transfer Pathways to the Liberal Arts](#), and whose faculty and administration have collaborated to expand access and credit clarity for students transferring with an associate's degree from an Ohio community college to an Ohio private college or university.

Pages 1 & 2 of this document outline **community college courses that are approved statewide** for transfer credit toward the bachelor of arts degree in English at an approved 4-year institution. Pages 3-6 show how these courses transfer to Ohio Wesleyan University to meet bachelor degree requirements.

## How English Pathway Courses Transfer to Ohio Wesleyan University

A student transferring to Ohio Wesleyan University with the English transfer pathway and Associate of Arts degree completed will receive maximum transfer credit, placing them at or near junior standing. Most or all of the Ohio Wesleyan University general education requirements and introductory major courses can be completed as part of the associate degree, through planning with a transfer advisor. Students interested in transferring to Ohio Wesleyan University should meet with an admission counselor regarding optimal course selection and admission requirements.

The following tables outline how transfer credits from the English transfer pathway and associate's degree will be applied to the Bachelor of Arts degree in English at Ohio Wesleyan University, with concentrations in Literature and Creative Writing.

### Advising Notes:

Ohio Wesleyan University utilizes a credit system whereby most traditional classes count for 1.0 credits. This is usually equivalent to 3.0 credit hours for other universities. Hence, a class taken elsewhere for 3.0 credits is generally equivalent to 1.0 credits at Ohio Wesleyan University. However, the exact transfer of credit may equal less than 1.0 (e.g., a 3.0 credit class often transfers in to Ohio Wesleyan University as 0.81 credits). Students are strongly encouraged to discuss the exact credit hours transfer amounts with an admissions counselor before enrolling.
