Effective: 10/16/2013

Revised: 02/28/2015

Revised: 06/07/2021

POLICY:

- (A) Purpose: The purpose of the Policy is to promote the free exchange of ideas and the safe and efficient operation of the College by:
- (1) Fostering free speech, assembly and other expressive activities on College property by all persons, whether or not they are affiliated with the College.
 - (2) Maintaining an appropriate educational and work environment for all persons present on College property, including but not limited to students, faculty, employees, customers and visitors.
 - (3) Maintaining the personal security of all persons present on College property and protecting the property of the College and of persons present on College property.
 - (4) In developing this Policy, the College recognizes the constitutional freedoms guaranteed by the United States and Ohio Constitutions, including freedom of speech, press and assembly. The College also recognizes the need to preserve and protect its property, students, guests and employees of the College, and to ensure the effective operation of educational, business and related activities of the College. Expressive activities on the College's campus may be subject to reasonable regulation with regard to the time, place and manner of the activities. College employees will not consider the content of expressive activities when enforcing this Policy. No Policy can address every possible activity or situation that may occur on College property, and the College reserves the right to address such situations as circumstances warrant.
 - (5) This Policy does not apply to use of College facilities and grounds for official events sponsored by the College.

- (6) Expressive activities carried out under this Policy shall not be considered to be speech made by, on behalf of or endorsed by the College.
- (7) This Policy supersedes any provisions in any other earlier-adopted College policies that address similar or overlapping issues, such as use of outdoor spaces.

(B) Outdoor areas of campus generally available for use

(1) General Access

- (a) Any person or group may use, without prior notification, any publicly accessible outdoor area of the College's main campus providing such use does not materially and substantially disrupt normal campus operations. Federal, state and local laws will be enforced as applicable. The use of walkways or other common areas may not block the free passage of others or impede the regular operation of the College. Use of the general access areas may include speaking, non-verbal expression, distributing literature, displaying signage and circulating petitions. There is no limit to the number of times a month a person or group may access those areas.
- (b) During work and class hours or if the area is currently in use for an official College event, amplification may be restricted if it unreasonably interferes with College operations or noise ordinances are violated.

(2) Satellite Campuses

The College's satellite campuses are a mixture of College owned and leased facilities. Some leased facilities do not have publicly accessible outdoor areas available for use under this Policy. Where any outdoor space is controlled by the College, this Policy applies.

(3) Large Groups

- (a) Except in circumstances described below, any person or group whose use of an outdoor area is expected or reasonably likely to have more than one hundred people must notify the Stark State Security Department at 330-494-6170, Ext. 4367 at least two (2) business days before the day of the expressive activity, including information as to the specific location to be used for the event and the estimated expected number of persons, and the name and contact information of at least one person who can be contacted regarding logistics of the event, which shall include at least one person who will be personally present. Clean-up fees will be charged and security fees for non-student/student groups will be charged to the person or group in accordance with the Outdoor and Building Usage Schedule of Charges.
- (b) Prior notice is necessary to ensure that there is sufficient space for the large group event, that the large group event does not conflict with any other scheduled use of the outdoor space, and that sufficient College resources are available for crowd control and security. If such advance notice is not feasible because of circumstances that could not be reasonably anticipated, the person or group shall provide the College with as much advance notice as circumstances reasonably permit.

(C) Student Use

- (1) In addition to the general right of access to outdoor areas of campus described above, any student or student organization may seek to reserve the use of specific outdoor areas by contacting the Coordinator of Student Activities at 330-494-6170, Ext. 4237. Any request by a student or student organization to reserve such area or space shall be made at least one (1)

business day prior to the event. A request will be granted unless it would conflict or interfere with a previously scheduled event or activity or violate this policy.

- (2) A student or student organization that has reserved a specific area or space under this Policy will have priority over any other persons seeking to use the area or space during the scheduled time period. Any decision denying a request shall be promptly communicated in writing to the requester and shall set forth the basis for the denial. The content of the anticipated speech or other expressive activity shall not form the basis for a denial.

(D) Prohibited Activities

- (1) Any event or activity that disrupts the ability of the College to effectively and peacefully teach students, provide client services, or conduct any of its other business and support operations is prohibited. Examples include but are not limited to excessive noise, impeding vehicle or pedestrian traffic, and conduct otherwise unlawful.
- (2) No activity may damage College property. Prohibited actions include but are not limited to driving stakes or poles into the ground, hammering nails into buildings, and attaching anything to sidewalks, paved areas, or any part of any building, structure or fixture.
- (3) Distribution/solicitation by placing any material on vehicles in the parking lots or garages is prohibited. Leaving trash, litter, materials or pollutants in any area is prohibited.
- (4) Individuals using College facilities or grounds are required to comply with college policies and procedures and all applicable local, state, and federal laws.

(E) Enforcement

- (1) The Stark State Security Department and local law enforcement shall enforce the provisions of this Policy.
- (2) Any person who violates Section D of this Policy may be subject to an order to leave College property. Employees in violation of this Policy may be subject to discipline, up to and including termination.

(F) Dispute Resolution

Any person or recognized student organization who believes unlawful, unreasonable, or arbitrary limitations have been imposed on any of their speech or other expressive activities under this Policy may file a complaint with the Office of the Vice President of Business and Finance at 330-494-6170, Ext. 4398.

PROCEDURE:

- (A) The President may adopt procedures to administer this Policy.

SERVICE ANIMAL
Policy No. 3357:15-17-12
Page 1 of 2

Effective: 08/04/2018
Revised: 06/05/2023

POLICY:

In compliance with the Americans with Disabilities Act (ADA), Stark State College generally allows service animals in its buildings, classrooms, and dining areas when accompanied by an individual with a disability who indicates the service animal is trained to provide, and does provide, a specific service that is directly related to the disability.

Definitions:

Service Animal: A service animal is defined under the ADA as an animal that is individually trained to do work or perform tasks for the benefit of an individual with a disability. The work or tasks performed must be directly related to the individual's disability. Animals whose sole function is to provide comfort or emotional support do not qualify as service animals under the ADA.

Handler: The handler is the person who is responsible for controlling the Service Animal.

PROCEDURE:

(A) Service Animals and Handlers

- (1) Service Animals and Students: In order for the College to assure proper accommodation for all students, the College requests all individuals with service animals to report to the Office of Disability Support Services in advance if possible.
- (2) Service Animals and Employees: Employee requests for disability accommodation, including requests to have a service animal in the workplace, should be made to the Office of Human Resources, who will process, review, and make determinations of the accommodation request. If an employee requests an accommodation and the need for the accommodation is not obvious, written documentation from a doctor or other professional with knowledge of the person's functional limitations may be required.
- (3) Service Animals and Visitors: Service animals accompanying individuals with disabilities are welcome in all areas of campus that are open to the general public.

When it is not obvious or readily apparent that the service animal is trained to do work or perform tasks for an individual with a disability, College employees are permitted to make the following two inquiries:

- (a) "Is this a service animal that is required because of a disability?"
- (b) "What work or task has the service animal been trained to perform?"

Additional questions related to the use of service animals on the College premises should be directed to Campus Security.

(B) Responsibilities of Service Animal Handlers

(1) Animal Control Requirements

- (a) Handlers must have full control of their animals at all times. The animal shall be harnessed, leashed, or tethered while in a public place unless these devices interfere with the service animal's work or the person's disability prevents use of these devices. If not under direct physical control of the handler, the service animal's handler must maintain full control through voice, signal, or other effective means.
- (b) To the extent possible, the animal shall be unobtrusive to other individuals and to the learning and working environment.

(2) Service Animal Etiquette

- (a) It is recommended that the animal wear some type of commonly recognized identification symbol to identify it as a service animal.
- (b) To the extent possible, the handler should ensure that the animal does not: sniff people, food tables, or the personal belongings of others; jump on people; display any behaviors or noises that are disruptive to others, unless part of the service being provided; or block an aisle or passageway for fire or other emergency egress.
- (c) The cost of care, arrangements, and responsibilities for the well-being of a service animal, and the clean-up of the animal's waste, are the sole responsibility of the handler at all times. The handler must adhere to and be aware of all applicable local and state ordinances regarding ownership of animals (i.e., leash law, proper identification, vaccinations, etc.).
- (d) Handlers are responsible for any damage or injuries caused by their animals and must take appropriate precautions to prevent property damage or injury.

(C) Removal of Service Animal

A service animal may be ordered to be removed by Campus Security for the following reasons:

- (1) Out-of-Control Animal: A handler may be directed to remove an animal that is out-of-control when the handler does not take effective action to control it. If the improper behavior happens repeatedly, the handler may be prohibited from bringing the animal into any college facility until steps to mitigate the behavior have been taken.
- (2) Non-housebroken Animal: A handler may be directed to remove an animal that is not housebroken.
- (3) Direct Threat: A handler will be directed to remove an animal that the College determines to be a substantial and direct threat to the health and safety of individuals.

If the College requests the removal of a service animal, the handler must remove the animal immediately. Once the service animal is removed, the College will work with the handler to determine reasonable alternative accommodations and/or opportunities to participate in the service, program, or activity without having the service animal on the premises.

(D) Conflicting Needs/Health Concerns: Complaints of allergies by other individuals, or other individuals' fear of animals, are not valid reasons for denying access or refusing services to individuals using service animals. When a person who is allergic to the service animal and a person who uses a service animal must spend time in the same room, for example, in a classroom, they both should be accommodated. Decisions for such accommodations will be made by the appropriate College employee (depending on status of individuals involved – i.e., student, employee, or visitor) and in accordance with applicable laws, regulations, and guidance.

(E) Grievance Procedures: Handlers who receive notice to remove a service animal may file a grievance. The grievance procedure for students is outlined in the Non-Discrimination Policy available at <https://www.starkstate.edu/about/non-discrimination/>.

(F) Public Etiquette Toward Service Animals: Faculty, staff, students, and visitors should avoid the following:

- (1) Petting a service animal
- (2) Feeding a service animal
- (3) Deliberately startling a service animal
- (4) Separating or attempting to separate a handler from their service animal
