Applying for financial aid

To help you pay for college you can apply for federal aid such as grants, work study and loans by completing the **Free Application for Federal Student Aid (FAFSA)** every year. *The Stark State College school code is 011141.*

Preparing for the FAFSA

The FAFSA process is quicker and easier when you have a username and password called an FSA ID. If your parent is providing information on your FAFSA, he or she will need his or her own FSA ID as well. Learn more about the FSA ID and how to create yours at studentaid.gov/fsaid.

Gather information; the FAFSA asks questions about you and your finances, so have all your applicable information handy, including

- Social Security number
- alien registration number (if applicable)
- federal tax information and tax returns
- records of untaxed income
- cash, savings and checking account balances
- investments other than the home in which you live.
