#### Dear prospective respiratory care student,

As part of the respiratory care program application process, you will be asked to take the HESI A2 admissions assessment exam. The exam is offered on campus with 2 dates in December and 2 dates in May. The cost of the exam is \$64. The HESI A2 admissions assessment exam covers reading comprehension, vocabulary and general knowledge, grammar, biology, anatomy and physiology, and basic math skills. There are also two sections on learning style and personality profile. A study guide with practice questions and tests is available for purchase in the campus bookstore. Just ask for the HESI exam review book. The ISBN is 987-0-323-58226-1. At this time, prospective students do not need to achieve a certain score per section- just complete the exam.

These instructions will help you set up your Evolve account, register for the HESI-A2 exam and make your HESI-A2 payment.

Once you complete the process, contact Brooke Owen at <u>bowen@starkstate.edu</u> to reserve your spot for one of the exam dates.
