NURSING PROGRAM ADMISSION REQUIREMENTS

GPA Requirement:

- Minimum 3.0 GPA in seven (7) credit hours or more at the last college you attended. Your overall GPA will be considered.

Pre-requisite Requirements:

- Day **and** Evening/Weekend Cohorts: SSC101; ENG124, PSY121, MTH124, and BIO101
 - Evening/Weekend students must complete BIO121 prior to beginning the program
- LPN to RN **and** Paramedic to RN Cohorts: ENG124, PSY121, MTH124, and BIO121

TEAS Test:

- All students applying to the ADN program are required to successfully complete the TEAS test prior to submitting their application.
- The minimum score accepted is **58.7%**. You can take the test twice within a calendar year and must wait a minimum of 60 days to retake the test if you wish to improve your scores.
- The test is written on a high school level and covers Math, Science, Reading, and English/Language. Study guides are available in the Stark State Bookstore and at www.atitesting.com.

Background Check:

- You must obtain a background check from Stark State Security. They require you to make an appointment and results may take up to 45 days to return.
- The cost is \$70 and can be paid at the Cashier's Office on the 3rd floor of the Student Services Building.
- Once you receive your results, submit the EMAIL stating your eligibility status along with your application and TEAS test results to the Nursing Department.
- To schedule your background check, follow this link: <https://www.starkstate.edu/admissions/background-checks-for-health-programs/>

ADN Acceptance

- Students may only apply to ONE cohort.
- Acceptance into all programs is based on a points system comprised of your GPA, TEAS test scores, and completed pre-requisite classes. (See page 15 for worksheet) Students with the top scores in their applied cohort will be offered a seat in the program. The minimum score is determined by the number of qualified applications received; however, we encourage students to achieve a score of, at least, 15 to improve their probability of earning a seat.
- All students must have a **minimum GPA of 3.0** in seven (7) hours or more of course work at the last college you attended. Your overall GPA will be considered.
- **There is no waiting list.** Qualified re-applicants will receive two (2) additional points toward their overall score if they reapply within two years.
