## Stark State College A History of Educational Excellence

Stark State College was founded in 1960 when computerization and the development of new technologies and companies created a need for well-educated, highly trained employees with two-year college degrees. Stark State College was born out of that need. Well-respected in the community, Stark State College plays a vital role in the economic growth and development of the region through its strong tradition of providing educational and training services to employers and residents.

Today, Stark State College offers over 200 associate degrees, one-year certificates and career enhancement certificates in business and entrepreneurial studies, education, liberal arts, mathematics, engineering technologies, information technology, health and public services, and sciences.

Degrees awarded are the associate of arts, associate of science, associate of applied science, associate of applied business and associate of technical studies. These degrees prepare our graduates for career success as they move directly into the workforce or choose to continue their education in pursuit of a baccalaureate degree. A wide range of short-term career enhancement certificates help employees improve skills and gain a competitive edge in a society with rapidly changing technology. Career enhancement certificates lead to associate degrees and one-year certificates in various fields of study.

Community and business partnerships are vital to Stark State College. The College has developed an outstanding reputation among business and industry for its willingness to aggressively enhance workforce development activities in support of emerging business needs. A few of Stark State College's public/private partnerships include The Timken Co., Diebold Nixdorf, Contained Energy, Lockheed Martin, Kohler Container Co. and Ariel Corporation.

The Stark State College Foundation is a non-profit, tax-exempt organization that provides financial support beyond that obtained through student fees and state allocations. The Foundation exists solely to benefit the students and programs of Stark State College and assists the College in reaching a higher level of excellence in serving the educational needs of our community.

More than 17,000 Stark State College graduates live and work in our community, contributing to the vitality of our region and serving as a true testament to Stark State's commitment to excellence in education.

## Congratulations to the Class of 2023

Dear Stark State Graduate:

The Stark State College Board of Trustees offers you heart-felt congratulations on your graduation. This day marks the culmination of your many hours of hard work and perseverance. We hope you take time to truly savor the moment!

Since such accomplishments rarely happen without the sacrifice and support of loved ones, the Board also would like to extend sincere thanks to the others who sustained you in reaching today's milestone.

Your education is a key component to personal fulfillment and success in any future endeavor, and the investment will serve you well for the rest of your life.

We are certain that you will put your excellent efforts and newly acquired skills to good use as you continue life's adventure.

Sincerely,

Harun Rashid  
Chair, Board of Trustees  
Stark State College

*Certificate of Special  
Congressional Recognition*

UNDER THE SPONSORSHIP OF

EMILIA SYKES

PRESENTED TO

STARK STATE COLLEGE  
CLASS OF 2023

On behalf of the Thirteenth Congressional District, congratulations on your graduation!

Your graduation is the culmination of years of focus, diligence, and dedication, and you are to be commended for your efforts. This accomplishment has earned the respect and appreciation of your family, friends, peers, and community, all of whom are proud of you. You have demonstrated a sincere determination to prepare yourself for a meaningful and rewarding role in our ever-changing and challenging society. I hope you will continue on this path by committing yourself to continual improvement and personal growth.

This time in your life is one filled with great possibility. I urge you to take stock of this moment – reflect on what you have achieved as you look to the future to pursue your life’s passion, whatever that may be. This accomplishment will be of value not only to yourself, but to your community, who will benefit from your success.

Again, congratulations to you and best wishes for a bright and successful future. Go Spartans!

27th District

January 7<sup>th</sup>, 2024

Dear Stark State College graduate,

The completion of a higher-level degree is one of the single-largest investments you can make in your long-term career success. Graduation is the culmination of years of dedication and hard work, and you are to be commended for the intelligence, perseverance, and initiative that you have displayed in attaining this goal. Your achievement is one of which you, your family, and friends can be justly proud.

You have demonstrated a sincere determination to prepare yourself for a meaningful and rewarding role in our ever-changing and challenging society, and your efforts are truly deserving of the highest praise.

Thus, with great pleasure and satisfaction, I pay tribute to you on your graduation and extend best wishes for continued success in all your endeavors.

Respectfully,

A handwritten signature in black ink that reads "Kristina D. Roegner". The signature is fluid and cursive.

**Scott Oelslager**  
State Representative

Dear Stark State College Class of 2023,

I would like to take this opportunity to extend my personal congratulations to all those belonging to the Class of 2023 upon their graduation from Stark State College! This is a tremendous milestone in your lives, as uniquely both an ending and a beginning. Not only does this degree follow years of hard work, but also is an accomplishment that will follow you all throughout the rest of your lives. You all have doubtlessly overcome many challenges in order that you may receive the high honor of an associate degree. The academic success you have accomplished demonstrates great commitment and determination.

May you find your future career to be challenging and fulfilling. May you apply the skills accumulated through your flourishing journey in higher academia to wherever this next chapter of life brings you. May you lean on the support of those around you as you launch into what is yet another extraordinarily formative time.

Please accept my best wishes in your future personal, professional, and academic endeavors. Once again, congratulations!

Sincerely,

Scott Oelslager

## **Tavia Galonski** State Representative

As a member of the House of Representatives of the 135<sup>th</sup> General Assembly, I am proud to extend my congratulations to

### **Stark State College's Class of 2023**

on the occasion of your commencement.

It is with great pleasure that I acknowledge this major milestone and wish you the very best as you graduate from Stark State College.

The class of 2023 has faced unique obstacles over the last two years, and you rose to the occasion, overcoming these unprecedented challenges. Your dedication and perseverance throughout your educational career has carried you to this momentous achievement, and the passion you have demonstrated has culminated in this prestigious honor.

This is an exciting time in your life— a time for reflection and a time to think about what the future holds for you. Graduation carries with it the opportunity and challenge to continue to excel and make the best use of your talents in society. By fully developing and utilizing your talents, you have shown a sincere determination to prepare yourself for a rewarding future.

Thus, it is with sincere pleasure that I congratulate you on graduating with the class of 2023 and wish you the best with your future endeavors. I look forward to witnessing everything you will continue to accomplish as important members of our community.

A handwritten signature in black ink, appearing to read "Tavia Galonski".

**Representative Tavia Galonski**  
Ohio's 33<sup>rd</sup> House District

## The Academic Processional

The academic processional precedes the graduation ceremonies and reflects the early origins of education. To recognize the achievements of their students, higher education institutions in America hold an official commencement, during which time students are awarded appropriate degrees at the completion of their studies.

Academic costume has a history of nearly eight centuries. As students in medieval Europe organized into guilds, they developed distinctive costumes for various degrees. Differences among this garb appeared mainly in the hood, which is derived from the cloak. Hoods are now ornamental and are draped over the shoulders and down the back. The hood is faced with colors, which denote the field of study represented by the wearer's degree. The colors of the lining are those of the college or university by which the degree was granted.

In Europe, a professor generally wears the type of garment customary in the university where he or she is lecturing. In the U.S., professors continue to wear the gown and hood of the university where they received the highest degree.

The cap or "mortarboard" originated at Oxford. In Europe, one sees caps of other sorts, but in the U.S., caps are generally flat and square-shaped. Attached to a button on top of the "mortarboard" is a tassel. Tassels for associate and bachelor's degrees are black. Tassels for master's degrees are black or a color appropriate to the major field of study. For doctoral degrees, tassels are black or golden. The tassel is moved from the right side of the cap to the left side after receiving a degree and worn on the left side by those who have received a degree.

The various colors of the hoods signify the field of study in which the degree is earned. For example: white – arts, letters and humanities; olive – business and commerce; light blue – education; orange – engineering; purple – law; golden yellow – science; apricot – nursing; lemon – library science; pink – music; and green – medicine.

## Distinction and High Distinction

Graduates who have demonstrated outstanding accomplishment in their technologies will be announced as graduating either with "Distinction" or "High Distinction."

Graduates who have a grade point average of 3.4 or above as of the end of fall semester 2023 will graduate with Distinction.

Graduates who have a grade point average of 3.8 or above as of the end of fall semester 2023 will graduate with High Distinction.

The level of distinction is based on the grade point average at the end of the semester preceding graduation. If the level of distinction changes after final grades are posted for the graduating semester, the student's academic record will be updated.

---

## History and Tradition of the Mace

The ceremonial mace that is used in college and university commencement exercises was originally a weapon designed to protect kings that dates back to 12,000 B.C. Throughout history, the mace also has been a symbol of royalty and justice. Though maces traditionally were used as weapons, Scottish maces are musical instruments and have been and continue to be used as instruments of wartime music and military bands. The mace also is a symbol of academic authority. In commencement ceremonies, the mace is carried before the president and dignitaries who are seated at the platform where the graduates receive their diplomas.

## The Construction and Symbolism of the Stark State College Mace

Stark State College's commencement mace is handcrafted from cherry wood, salvaged from a fallen tree on Stark State College's campus. The mace is 50 inches long and weighs 16 pounds. It was turned in March of 2006 by local craftsman Merle Weber. The Massillon Plaque Company fabricated the metal castings on the mace to the College's specifications.

The foundation for the head of the mace is constructed of "Ohio flint," a crypto-crystalline quartz and the state's official gemstone. The mace is crowned on both the obverse and reverse sides, with the official logo of the College.

Four brass bands on the staff are engraved with the four names of the College and the dates associated with those names, capturing the College's history and development since its founding in 1960. Three cast-brass plates affixed to the large barrel section near the top of the mace symbolize the College's national and state affiliations. The first cast brass plate depicts the United States flag. Symbolizing our state college status, the next casting displays the state motto and the final casting displays the Great Seal of the State of Ohio.

## Commencement Speaker

Sheri Herbert

In 1995, Sheri Herbert earned her associate degree in applied science in dental hygiene. It was during her early clinical practice years that Sheri discovered a profound passion for education and a desire to make a difference in the lives of others. This realization led her to pursue a bachelor's degree in technical education from Akron University in 2002.

While working as an adjunct instructor at Stark State College, Sheri dedicated 16 years to both clinical practice and clinical education. These dual roles not only allowed her to provide hands-on patient care but also deepened her expertise in education. In 2016, Sheri's commitment to education led her to transition into a full-time service role at Stark State College.

Motivated by her thirst for continuous learning, Sheri returned to school, earning her master's degree in education from Kent State University. Today, she proudly serves as an assistant professor in the dental hygiene program. Sheri is an active member of several professional organizations, including the American Dental Hygienists' Association, Ohio Dental Hygienists' Association, Stark Collaborative Dental Hygienists' Association, American Dental Educators' Association, and the Ohio Dental Hygienists' Association Academy of Dental Hygiene Studies.

Sheri's experience, involvement in professional organizations, and unwavering commitment to dental hygiene education have collectively empowered her to provide students with a high-quality educational experience.

## Phi Theta Kappa Honor Society

Graduates wearing gold tassels and stoles are members of the Beta Gamma Epsilon Chapter of Phi Theta Kappa, an international honorary society for two-year colleges, based on academic achievement in degree-related courses. Members must have a cumulative 3.5 GPA or higher in at least 12 semester hours of degree-related courses and maintain a cumulative 3.2 GPA. Phi Theta Kappa has more than 1.2 million alumni worldwide and offers its members opportunities in scholarship, leadership, service and fellowship.

Stark State’s chapter began in 1996.

Phi Theta Kappa members in the fall class of 2023

Maha A. Abdulhabib	Ellis V. Godale	Cory D. Noble

## Psi Beta National Honor Society in Psychology

Graduates wearing a gold medallion on a blue and gold ribbon are members of the Psi Beta National Honor Society in Psychology for Community and Junior Colleges. The Society’s mission is to support professional development of psychology students in two-year colleges through promotion and recognition of excellence in scholarship, leadership, research and community service.

Stark State’s chapter was organized in 2014.

Psi Beta members graduating in the fall class of 2023

Serenity Kerr	Theresa Battles-Burton
Paige Penrod	Abigail Dunn

---

# Alpha Omega Tau

The graduates wearing the blue stoles are members of Alpha Omega Tau the National Honor Society for Occupational Therapy Assistants that supports excellence in occupational therapy by recognizing occupational therapy assistant students and professionals who have demonstrated distinction in scholarship leadership and service; and by fostering their continued growth and involvement in the field for the benefit of the profession and society. Members must have a 3.5 cumulative GPA.

Stark State's Chapter began in 2022.

Alpha Omega Tau members graduating in the fall class of 2023

Rebecca Wilkerson
