[^]Based on SSC placement scores

Minimum grade of "C" in all technical and non-technical courses in the program curriculum is required.

Application deadline is March 31 for Fall admission and October 31 for Spring admission.

BIO101 is waived as a prerequisite course for LPNs applying for advanced standing admissions.

This program requires an application (separate from the College). Please see your advisor to discuss the application process.

A Because of strong emphasis on science in this major, applicants must have successfully completed Biology in high school. Students who did not complete the courses in high school, and those who prefer to refresh their knowledge of the material, should complete the listed pre-requisites.
