[^]Based on SSC placement scores

[▲]Because of strong emphasis on science in this major, applicants must have successfully completed Biology in high school. Students who did not complete the courses in high school, and those who prefer to refresh their knowledge of the material, should complete the listed pre-requisites.

***Minimum grade of "C" in all technical and non-technical courses in the program curriculum is required.
Application deadline is March 31 for Fall admission and October 31 for Spring admission.***

BIO101 is waived as a prerequisite course for LPNs applying for advanced standing admissions.

*This program requires an application (separate from the College).
Please see your advisor to discuss the application process.*

FULL-TIME STUDENT ADVISING NOTES

Academic Advising

Students should make an appointment to see their advisor before registering for classes each semester. They should have prepared a completed registration form, including courses they wish to take, prior to this meeting.

Course Sequence

The semester-by-semester listing below provides the normal scheduling option for full-time associate degree students who plan to finish in two years.

A student cannot register for NSG courses until accepted into the program.
