

## **College Credit Plus (CCP) for Students with Disabilities:**

### **Overview:**

Accommodations for high school students with disabilities are approved through the lenses of The Individuals with Disabilities Education Act (IDEA), Free Appropriate Public Education (FAPE), and The Rehabilitation Act of 1973, Section 504, Subpart D.

However, accommodations for college students with disabilities are approved through the lenses of The Americans with Disabilities Act (ADA) and The Rehabilitation Act of 1973, Section 504, Subpart E.

### **Procedures:**

1. The student schedules a phone, Zoom, or in-person appointment with Stark State College's Disability Support Services (DSS). The student needs to email, fax, or bring to the in-person appointment, a copy of his/her most recent IEP/ETR or 504 Plan (with medical evaluation or supporting documentation).
  - 504 Plans or IEPs/ETRs are not automatically sent to the College with transcripts. That request must be done separately.
  - Please Note: Sending the 504 Plan or IEP/ETR to the College does not set up accommodations. The student needs to contact Disability Support Services to set up an appointment.
2. Kat Spicer is the primary counselor who approves accommodations, but please contact Pam Cash, Administrative Assistant, to schedule an appointment.

3. The student and a DSS Counselor will go through an interactive interview to determine what accommodations the student is eligible for at the college level. It should be noted that these may not be the same as the accommodations listed on the IEP/ETR or 504 Plan.
4. The CCP instructor will receive an Accommodation Letter from Disability Support Services after the process is complete.
