^Based on SSC placement score.

^^ To promote student success, this course should be taken in the first semester.

▲ Because of the strong emphasis on science in this major, applicants must have successfully completed biology in high school. Students who did not complete the courses in high school, and those who prefer to refresh their knowledge of the material, should complete the listed pre-requisites.

@“B” or better in BIO101 or High School Biology (must be within 5 years).

BIO121 and BIO122 can be substituted for BIO123.

*May select from Sociology offerings only

Ω MTH125 College Algebra or MTH124 Statistics should only be taken by students planning to transfer to a four-year institution.

▲+ Spring only courses. Please see your academic advisor for availability.

▲- Fall only courses. Please see your academic advisor for availability.

▲* Summer only courses. Please see your academic advisor for availability.

++ Courses requiring a minimum grade of “C”

Students are required to follow the program curriculum in effect when they begin taking technical courses, not when students are accepted to the College or program.

This program requires an application (separate from the College).

Please see your advisor to discuss the application process.
