^Based upon SSC placement score

^^To promote student success, this course must be taken in the first semester

▲Because of strong emphasis on science in this major, applicants must have successfully completed Chemistry and Biology in high school. Students who did not complete the courses in high school, and those who prefer to refresh their knowledge of the material, should complete the listed pre-requisites.

@ "B" or better in BIO101 or High School Biology (must be within 5 years)

##BIO121 and BIO122 can be substituted for BIO123.

**Course may be taken in conjunction with other technical courses but must be taken in the first semester of technical course work.

Minimum grade of "C" in all concentration courses is required.

This program requires an application (separate from the College). Please see your advisor to discuss the application process.

Students completing this degree may be eligible to also receive a Dental Assisting Career-Enhancement Certificate (3403).

PART-TIME STUDENT ADVISING NOTES

Academic Advising

Each student should make an appointment to see their advisor every semester before registering for classes. Please have your registration form completed, including the courses you wish to take, for this meeting.
