## **Career Technical Education (CTE) Information: Part B**

### \*NEW CTE Scholarship announced Spring 2024!

\$500 per term up to \$2,000!

Any high school student who passes at least one <a href="high school CTE course">high school CTE course</a> and has a final high school GPA of 2.5 or better will be eligible for a CTE scholarship at Stark State College (SSC). CTE Scholarships can be renewed at Stark State College as long as student maintains full-time status and a cumulative GPA of 2.5 or better. Can be used with other scholarships as well. See SSC's Scholarships webpage for details: <a href="maintains-starkstate.edu/admissions/scholarships/">starkstate.edu/admissions/scholarships/</a>.

Student submits the CTE Form.\*

### **Bilateral Credit:**

The following steps must be completed within one year of student's high school graduation:

- \*Student completes entire Ohio CTE Program of Study.
- \*Student earns a B or better in the course(s) for which they are requesting credit.
- \*A completed SSC Admission application is required (free): https://admissions.starkstate.edu/register.
- \*SSC receives student's final transcripts, with graduation date posted.
- \*Student submits the CTE Form.\*
- \*Academic credit "CR" will be posted once approved. Student will receive confirmation via their SSC email.

### **CTAG Credit:**

Student follows the CTAG process from ODEW/ODHE and has three years from high school graduation to have credit added to post-secondary transcript. SSC receives CTAV data from ODHE and looks for enrolled students with high school transcripts on file. Once academic credit has been added to the SSC transcript, an email receipt is sent to the student's SSC email address. Students are encouraged to follow-up if credits have not been posted within one week of the start of the semester by emailing techprep@starkstate.edu.

#### **ITAG Credit:**

Student follows the ITAG process from ODEW/ODHE, is admitted to SSC, then submits a copy of the credential via the <a href="https://credential.org/credential">CTE</a>
Form.\*
