Estimated Total		\$15,394.40

This is an estimate of program costs and is subject to change.

Estimated health requirements/clinical costs to students- 2025

The cost to the student is difficult to quantify for the immunization requirements as it is very dependent upon prior immunizations and level of immunity.

The fee may also be different if the student has health insurance and these items are covered versus the student who has to pay out of pocket.

The items that are estimates are in red.

The others are known (fixed) fees.

- ☐ ID badge- \$10
- ☐ FBI/BCI- \$70 (will need this twice so total of \$140)-Both years
- ☐ Liability insurance- \$15 (will need this twice so total of \$30)-Both years
