Student consults with the Program Coordinator to determine eligibility.			
BCI and FBI Background Checks Criminal background checks will be conducted in conjunction with admission to a health program. A clean BCI/FBI report is required before student placement into a field site for directed practice can be completed. The Stark State College website provides a list of disqualifying offenses. Students must have an eligible background check prior to beginning directed practice. The student acknowledges that this application reflects conditional acceptance into the program until the verification is provided.			
GPA 2.5
