STARK STATE COLLEGE / RESPIRATORY CARE

AAS Respiratory Care Application

2027 cohort • Application process & student information

APPLICATION PROCESS

1. Apply to Stark State College (SSC).
2. Meet with an Admissions Counselor to review transcripts and receive advising.
3. Review the Respiratory Care program application requirements on page 2.
4. Review the program overview, tentative student schedule, estimated program costs, and frequently asked questions on the program website: www.starkstate.edu/academics/programs/respiratory-care/
5. Schedule BCII/BCI and FBI background checks through SSC Security: www.starkstate.edu/about/security/background-check-information/. Once eligibility verification is emailed to your Stark State account, return to the Security Office to request printed copies of both background checks for your application review.

   Background-check questions should be directed to SSC Security. If verification is pending, conditional acceptance may be possible with documentation of payment for the checks.
6. After completing the requirements, schedule an application review appointment with the Program Coordinator. Bring your completed application and copies of your FBI/BCII background checks.
